

# QuickFix® Simple Garland

Successor: 170-488

**014-488**

017-043 LED String LiteÅ® 120 - 20m

## Description

The days when you needed a separate socket for each element of your lighting installation are now finally consigned to history with our design protected QuickFix® system: Using this connector system, multiple branded 230-volt products may be connected together with no problem – and this is also true for 36-volt products. Each Quick-Fix® product is individually quality tested to meet the IP44 rating - seeping moisture presents no danger to its continued operation. The Quick-Fix® cable is available in the colors white and black; cables for low-voltage products can be ordered in the colors transparent and green.

### Assembly:

230V LED products should always be installed under power as this is the only way to check the polarity. All new products have modified plugs ensuring the correct polarity.

## Product data

**LED** LED warm white ( 360 LED )

Length: 2.00 m  
 Diameter: 40 cm  
 Watt: 21 W  
 Mains voltage: 220-240 V AC 50-60Hz  
 Operating voltage: 220-240 V AC 50-60Hz  
 Operating mode: Power supply  
 Connectable: yes  
 Number of connectable: 3

## Packaging - Product

Type of Packaging:  
 EAN-Code: 9120032336227  
 Weight: 10 kg  
 Produkts/Packaging: 1
