

Ice Drop® 64

Predecessor: 018-274
019-274

Description

Product description

Ice Drops® consist of arranged points of light embedded in printed circuit boards featuring recesses for a 360° light effect. The name of the product is derived from its conic shape. Each Ice Drop® shines with 64 to 96 patented LEDs, depending on the particular model, simulating the trickle of snow crystals with its dynamic light. The light elements are available in lengths of 75 cm and 115 cm. All Ice Drops® are QuickFix™ compatible and can be connected up with suitable light strings and light curtains.

Decoration solutions

Ice Drops® are perfectly suited for jazzing up an existing QuickFix™ display. The extravagant icicles give the overall appearance a more relaxed look and are a feast for the eye. Ice Drops® are popular light elements for the decoration of trees, gables, and balconies, as well as above and across larger areas.

Product data

-  LED white (64 LED)
-  white

Length: 89 cm
 Diameter: 5 cm
 Watt/segment: 3.5 W
 Watt: 3.5 W, 3.5 VA
 Mains voltage: 220-240 V AC 50-60Hz
 Operating voltage: 220-240 V AC 50-60Hz
 Operating mode:
 Connectable: yes
 Number of connectable: 50

Packaging - Product

Type of Packaging: Sales Box
 EAN-Code: 9120049838707
 Size (L-W-H): 14.5 x 14.5 x 130 cm
 Produkts/Packaging: 1

Packaging - Shipping

Type of Packaging: Brown carton
 EAN-Code: 9120049838714
 Size (L-W-H): 93 x 22 x 22 cm
 Produkts/VPE: 4

QuickFix™ connection system
