

## Strip Lite Track ALU

**244-035**

### Description

Thanks to their double insulated rubber cable, our outdoor products are particularly robust and durable, thus offering a long service life. Each individual LED diode has a protective polycarbonate cap glued securely over it ensuring that no water or moisture can seep in - there is nothing to work loose and thereby interrupt the electrical current. The patented and quality-tested Quick-Fix® System meets IP rating IP44 and allows compatible 230V products to be extended and connected together without problems. Particularly suited for trees, facades and buildings.

### Dimensions

Length: 100 cm  
Connectable: no

### Packaging - Product

Type of Packaging: Brown carton  
EAN-Code: 9120049832644  
Size (L-W-H): 101.4 x 7 x 3.9 cm  
Weight: 0.1 kg  
Produks/Packaging: 20

### Packaging - Shipping

Type of Packaging:  
EAN-Code: 9120049832651  
Size (L-W-H): 103 x 14.5 x 9.5 cm  
Produks/VPE: 80
