

## Giant Indoor Christmas Tree

Predecessor: 014-080  
**290-080**

### Description

#### Product description

The Giant Christmas Tree is available both as pure indoor decoration with light string and as Christmas tree without light string for indoor and outdoor use. It can be ordered in various sizes, from 1.6m x 3.7m to 4.35m x 10.7m. The models are height adjustable, i.e. they are extendable. The LEDs of the indoor light string shine in a golden warm white, whilst the colour of the LEDs for the outdoor Giant Christmas Tree can be freely selected - our String Lite® range offers you a wide selection. When decorated, e.g. with elegant Christmas balls, the Giant Christmas Tree will become the centerpiece of every larger hall.
